

Vancouver School District
Open-ended survey question /results / information

"What suggestions would you offer to address any shortfall in the 2009-10 budget for Vancouver Public Schools?"

We received 789 responses. Here's the breakdown:

272 responses from parents 34.5%

269 responses from educators 34.1%

154 responses from community members 19.5%

67 responses from non-teaching staff member 8.5%

15 responses from administrators 1.9%

12 responses from students 1.5%

We also published information about our budget process and the survey in the February issue of our "Report to the Community" newsletter (see attachment).

Additionally, we developed a Budget Facts page for our district's web site:
