

BOMB NOTE ON BUS #2

(Date)

Dear Parent or Guardian:

Yesterday afternoon prior to the loading of students, an anonymous note was found on one of our school buses. The note said that there was a bomb on the bus. We put our safety plan into motion and immediately contacted law enforcement. County sheriff, as well as district staff, searched the bus and found that there was no bomb. As a precaution, a new bus was dispatched to transport students home.

Students and staff did a fabulous job responding to the situation. School safety is very important to us. Please continue to talk with your students about school safety. If you have any questions, please feel free to call our office.

Thank you,
