Dear Parent or Guardian:

I want you to be aware of a situation that has come to our attention from the Clackamas County Department of Community Corrections. I am writing this letter to inform you, not alarm you.

We are contacting parents of students attending school at **Oak Grove Elementary, Alder Creek Middle or Rex Putnam High** to inform you that a convicted sex offender, who has been legally paroled, is living in the school's attendance area. We believe we are obliged to contact parents when we are made aware of these situations.

We are notifying you so you can respond in a responsible manner for the care of your children. Please use this opportunity to reinforce how you expect your student to respond to strangers in all situations. Please remember that education and awareness are the best preparation in these circumstances.

Enclosed with this letter is the notification which we received from the Department of Community Corrections. Also included are some safety rules provided by the Corrections Office.

Thank you for your efforts on behalf of our students and your children.

Sincerely,

Ron Naso
Superintendent
