

MCLANE ELEMENTARY SCHOOL OWL EXPECTATIONS

Here at McLane we care about each other's safety and well-being. Everyone **MUST** have an equal opportunity to learn in a safe environment. We follow the 'Owl Expectations' to promote the teaching of acceptable behaviors that demonstrate respect for each other and teach socially acceptable means to resolve conflicts and problem solving. We place a great deal of emphasis on learning appropriate ways to express oneself as well as tolerance and acceptance of the differences that make us all unique.
